Dear Sai Siri :

Congratulations on making the Honor Roll during the Fall 2022 semester!

As you may know, students must earn a semester Grade Point Average of 3.5 or higher to qualify. You are among the select few within the College of Sciences to achieve this honor. I commend your success; your efforts represent the caliber of academic performance that will propel UTSA towards our shared vision of becoming a premier public research university that provides access to educational excellence.

Thank you for your hard work and dedication to pursuing scholastic achievement.

Sincerely,
